2011 Fall Registration Update

As of June 9, 2011, AYSO Region 177 has the following spots left for interested players.

- U05 - 26 spots remain open
- U06 Girls - 16 spots remain open
- U06 Boys - 9 spots remain open
- U08 Girls - 12 spots remain open
- U08 Boys - 8 spots remain open

U10, U12, and U14 - for both boys and girls - These divisions are full. You may still register and put your name on the waiting list.

U16 and U19 - We are trying to fill a team for each division. At this point right now, we have a coach for U16 boys, U19 boys, and U19 girls. We still have openings in each of those divisions.

We may also open up additional spots in all divisions but that will depend on how many adults step up to coach and what fields we are given by the city and school district.

The right-hand "Headlines" section includes a "Safehaven Certification Link" and a "Registration" link circled in red. Below the headlines are logos for GALAXY, AYSO kids zone, AYSO, and AYSO AREA 11K.

Date	Referee	Message
10/12/2009 12:50:16 PM	Wells Mike (Local Administrator)	Hiad - I'll jump in on this as I was at the game in question and you talked about this afterwards. In reviewing our current Rules & Regulations (available on our home page under the Referee group on the bottom left), section I.C.7.a, states "In the U00, U10 and U12 divisions, goalkeepers must play at least one quarter as a field player other than goalkeeper." Obviously this needs to be updated as there are no goalkeepers in U08 this year, but as you can see, 1 quarter in the field and 3 quarters in the goal is legal. However, it should be discouraged, especially at the U10 level. I will send a note to the Division Coordinators encouraging coaches to limit goalkeeper time to 2 quarters. Thanks for the followup to our conversation. Great job in that game as well.
10/10/2009 3:26:00 PM	Gruneisen Brett	I had a complaint regarding player participation during a U10G game. Following the game a coach stated that the opposing team utilized the same player as a goalie for three quarters. The same player played had already played one quarter in the field. Rereading Page 22 our local regulations, it states the U12 and below each player must play at least 3 quarters with one of them not in the goal. If a player plays all 4 quarters with one of them not in the goal, is this allowable? Thanks in advance for the clarification.
10/1/2009 11:56:57 AM	Wells Mike (Local Administrator)	For a quick refresher on the Offside Rule, please go to: http://www.ayso116.org/library/offside_may05.swf
9/13/2009 3:21:48 PM	Mincer Brett (Local Administrator)	If anyone has any questions or concerns, please email them to RefereeAdministrator@AYSO177.org. Someone will get back to you as soon as possible.
