Regional Guidelines
2010-2011

A Message to All Members:

AYSO Region 177 is a member program of the American Youth Soccer Organization, a nationwide, non-profit youth soccer organization founded in 1964. AYSO is an affiliate member of the United States Soccer Federation. Its programs are based on six principal tenets:

Everyone Plays - Our Region's goal is for kids to play soccer - so we mandate that every player on every team must play at least half of every game.

Balanced Teams - Each year we form new teams as evenly balanced as possible - because it is fair and more fun when teams of equal ability play.

Positive Coaching - Kids win when they are built up, not when they are torn down! We train and encourage our coaches to make the extra effort to understand and offer positive help to our players, rather than negative criticism.

Open Registration - Our program is open to all children between 4½ and 18 years of age who want to register and play soccer. Interest and enthusiasm are the only criteria for playing.

Good Sportsmanship - We strive to create a positive environment based on mutual respect, rather than a win-at-all-costs attitude, and our program is designed to instill good sportsmanship in every facet of AYSO.

Player Development – We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.

American Youth Soccer Organization Region 177 has produced these Regional Guidelines in order to provide each of you with information about the program you have joined.

These Regional Guidelines have been approved by the Board of Directors of Region 177 and may only be changed by the Board. Any proposed change may be submitted in writing to the Board for its consideration.

AYSO has a National Support Center in Hawthorne, California, with a full staff to assist our Region in maintaining its programs. Our Region is located in Area K in Section 11 and has the benefits of the area staff, directed by Tony De Giglio, and the section staff, directed by Mike Fults.

I am the Commissioner of our Region and am responsible to AYSO National and, together with our Regional Board, to **you** for running our program. As Regional Commissioner I welcome you to AYSO Region 177 either as a returnee or as a newcomer, and hope that you enjoy being a part of the ever-growing AYSO family.

Regards,

The registration fee for each player participant shall be fixed annually by the Regional Board. The Regional Board may by specific grant or scholarship, or by Regional policy, waive such registration in whole or in part with respect to any participant if such fee would create a hardship for such participant or his or her family. Any player who withdraws prior to participating in the first game of the season shall be entitled to a refund of such registration fee. In exceptional circumstances, the cost of the uniform (if it cannot be reused) or other specific non-recoverable costs may be deducted from the refund. To obtain refund, please submit in writing or email, noting child's name, birthday and approximate date registered and amount of check or cash, with address and phone number to the region. A full refund will be given if player is dropped before July 16th, 2010. A \$50.00 refund will be given if the player is dropped before the first game. There will be no refund granted if drop occurs after the first game is played.

3. Eligibility

All boys and girls, between the ages of 4 and 18, based on their age as of July 31st of the year in which the season begins, (unless a different season date is established by the Region and approved by the Area Director and Section Director), shall be eligible to register for the program, subject to field availability, volunteer support, AYSO operating regulations, and such rules as may be issued by the Regional Board.

4. Length of Season and Cancellation of Games

The season shall be of such duration as determined by the Regional Board, and as set forth in the Regional Calendar located on our website, www.ayso177.org. Inclement weather or poor field conditions may necessitate from time to time the postponing or canceling of games. Any such postponement or cancellation will be made at the discretion of the Regional Commissioner or the Safety Director as early as practical before game time. Once the game begins, only the referee in charge of the particular soccer field may suspend or cancel the game.

5. Attendance; Participation

U12 and below, all players must play at least three quarters of each game, with at least one as a field player (not in goal). In U14 all players must play at least three quarters of each game, however coaches may play a player for two quarters based on disciplinary reasons, (e.g., poor attitude or lack of attendance at practices) and must inform their division coordinator if they intend to play a player two quarters and the reasons for the discipline. Referees are to keep track of substitutions on game cards. Coaches not adhering to rules may face disciplinary actions. Moreover, it is the policy of the Region to encourage each coach to allow different players to start the first quarter of each game. If team size does not allow everyone to play 3 quarters, the players limited to 2 quarters should be rotated through the whole team through the season. For U10, players may not play more than 2 quarters in goal. In U12, every player must play at least 1 quarter on the field. In U14, the goalie may play the whole game in goal as long as everyone on the team has played 3 quarters on the field. Every player must sit one quarter before any player sits two quarters.

In U16 and U19, every player shall be entitled to play at least one-half of each game unless injured.

Post season games, including Belmont Cup, Area Playoffs, All-stars, Spring Select as well as the regular season for Plus teams will adhere to the AYSO National Guidelines regarding playing time and will play each player a minimum of one half (1/2) of each game.

6. Protests

No protest of games shall be permitted. However, coaches are encouraged to file with the Regional Referee Administrator a written report within 48 hours after a game of any misapplication by a game referee of the Laws of the Game or rules and regulations. This procedure shall not be used as a means of complaining of, or criticizing, any judgment call of a referee or assistant referee. If, after investigation by the Regional Referee Administrator, it is found that a law, rule or regulation was misapplied, such referee shall be so informed in order to ensure that no further misapplication occurs.

7. Conduct during Games

The highest standards of conduct and good sportsmanship must be maintained at all times by players, coaches, referees, spectators and all other participants. Offensive, insulting or abusive language is forbidden. The use of alcohol, tobacco products or illegal drugs in the vicinity of the playing field during practices or games is strictly forbidden.

All participants must wear the official uniforms provided for all games and dress in them in a neat, clean manner. The use of shin guards is required at all practices and games.

Coaches are expected to be positive and set the best possible example for the participants. Excessive coaching from the sidelines shall not be permitted, and the function of the coach should be to provide encouragement and a positive direction. The coach may enter the field of play only with the consent of the referee and may coach only within 10 yards in each direction from the half-way line of the field (in no event in either of the penalty areas or from behind the goals).

Spectators at games must remain behind the spectator control line (three yards from the sideline) and between the penalty areas, and their vocal efforts should be limited to positive compliments to the participants. Under no circumstances should they attempt to coach or address remarks derogatory to players, coaches or the referee.

At the end of the game, the players and coaches from each team shall line up and shake hands with the players of the opposing team and thank the referee and assistant referees.

Discipline shall be up to the referee at each game. The referee shall have the power and authority to caution and send off players and coaches (as well as spectators, in the case of outside interference) from the playing area, or terminate the match if necessary, if their conduct violates the Laws of the Game, these Guidelines or otherwise interferes with the course of play. No appeal of disciplinary action taken by a referee shall be allowed.

The penalty for a player or coach sent off from the field (Red Card) shall be a minimum one (1) game suspension, i.e. the first scheduled game that is played following the game of the incident. The suspension shall be a minimum two-(2) game suspension for violent conduct. At the discretion of the Regional Commissioner, the length of any suspension may be increased and other disciplinary measures applied if deemed warranted.

Send-Offs (Red Cards) and/or Cautions (Yellow Cards) given during Regional games are not subject to appeal.

In the event a coach is in attendance at the team's next scheduled game while on suspension, the game shall not be allowed to start until the individual in question has left the field. If the game is already in progress, the referee shall suspend the game and not allow the game to continue until the individual in question has left the field. Players must sit out the next game in full uniform they are in attendance at.

8. Refreshments at Games

It shall be the responsibility of each team to supply its own refreshments. It is suggested that the best kind of refreshment is cool water.

9. Parental Participation

As AYSO is an “all-volunteer” Organization, each parent or guardian who has a player in the Region shall be strongly encouraged to volunteer his or her time and services in some way. The Region shall not reduce or eliminate the player fee based upon voluntary work done by a participant's parents or guardians, and shall not charge an additional fee to those parents of players who do not volunteer their services or who do not donate funds to the program. No fee distinction shall be made based upon parental or player participation in Regional fundraising activities. No Region may condition the registration of a player based upon any requirement of volunteer participation by a parent or guardian.

10. Facilities

It shall be the responsibility of the home team for the first game each day to obtain and set up the goalposts, nets and line the fields. The home team for the last game of each day is responsible to take down the goalposts, nets and to return the equipment to the storage shed. It is expected that both teams help set up and tear down the fields. Each field shall be lined under the direction of the Regional Commissioner and/or the Director of Playing Fields. No trash should be left at the facility except in designated containers. Parking shall be limited to those areas designated at the fields.

11. Sponsors

The Region encourages local businesses and individuals to support its program. Suitable recognition shall be given to them. Contributions are strongly encouraged to be made to the Region rather than to a particular team. All such contributions are considered charitable contributions and are deductible for U.S. tax purposes, subject to the applicable limitations in the Internal Revenue Code.

12. Equipment

The Region shall make arrangements to supply each player with a shirt with the original AYSO logo properly affixed thereto and, if possible, a pair of socks, and shorts. Names are not allowed on the uniforms for the protection of the children. If names are placed on the uniform the team or parents will be required to pay for new uniforms. Each player is expected to provide his/her own appropriate footwear and shin guards. No player may participate in a game without such shirt, socks, shorts, appropriate footwear and shin guards. Players may not wear jewelry of any kind (including chains, watches, body jewelry and earrings, bandannas or other ornamentation or anything else that is likely to cause risk of injury to himself or herself or to other players during the game.

Medical information bracelets should not be removed, but must be padded and taped to the player's skin.

Prescription eyeglasses may be worn, but must remain firmly on the wearer's head or restrained by a strap. Non-prescription eyeglasses and sunglasses are not permitted to be worn by a player during a game.

Hard casts (including padded casts), splints, helmets and hard padding are not permitted to be worn by a player during any game or practice. Players with permanent orthodontic braces are strongly encouraged to wear mouth guards.

DISPUTE RESOLUTION

1. General Policy

It is the policy of the Region to resolve all disputes involving persons involved in the Region in an amicable way. Compromise should be emphasized whenever possible, and personality conflicts should be avoided. If disciplinary action is found to be necessary, it is the Region's policy to take only the minimum action necessary. All means available should be taken to avoid legal action.

It is the policy of the Region to avoid punishing the players for the conduct of the parents except when there is no other solution (*e.g.*, where a parent cannot or will not cease his or her disruptive behavior).

It is the policy of the Region to avoid wiping out years of good memories of AYSO and good service to AYSO, and that suspension or removal procedures are to be used only as a last resort. Voluntary resignation is preferable to a suspension or removal procedure.

It is the policy of the Region to avoid publicizing the suspension or removal proceedings beyond those persons who need to know, and to respect the privacy of the individuals involved. However, the Regional Commissioner or Regional Board should notify the Area Director, the Section Director, the National Support Center or members of the AYSO Legal Commission of the pending proceedings pursuant to the operating regulations, and must comply with all applicable regulations and laws requiring suspension, abuse and similar events.

2. General Due Process Procedures

Disputes involving day-to-day activities of the Region should first be addressed and resolved, if possible, by the appropriate Board Member in charge of the activity and/or then by the entire Regional Board, if necessary. Disputes arising out of game conduct should first be addressed and resolved, if possible, by the Regional Referee Administrator and/or then by a disinterested Review Board appointed by the Regional Commissioner and/or then by the entire Regional Board, if necessary.

If it is determined that it is necessary for a person involved in the Region needs to be disciplined, or that his or her participation in the Region should be limited or terminated, then the Regional Commissioner or the Regional Board shall give notice in writing to such person of such intention. Such notice shall specify the action to be taken and the reasons therefore. Such notices shall further notify such person that he or she, upon request, will be given a reasonable opportunity to explain why such action should not be taken. Such opportunity to respond may be in person at a hearing, by telephone or in writing. The Regional Commissioner or Regional Board may appoint a disinterested Hearing Board or Committee of neutral persons to consider such discipline. After such opportunity to respond has been given, the Regional Commissioner, Regional Board, Hearing Board or Committee shall make its determination and announce it in writing to all persons concerned.

3. Suspension

The Regional Commissioner or Regional Board may suspend a person involved in the Region from further involvement in the program on notice (by telephone, fax, writing, email or in person) if there is found to be an imminent danger to the program by his or her continuing involvement, or if a crime has been alleged to be committed by such participant. Such a suspension must be followed by a disciplinary hearing described in Paragraph Two, above. A suspension is considered to be temporary in nature, and such suspension may be removed or set aside by a majority of the Regional Board at any time.

4. Removal

The Regional Commissioner or the Regional Board may remove a person (whether or not suspended) involved in the Region, including a Regional Board Member, from further involvement in the program. Such removal may only be made upon prior notice and after a determination is made that removal is appropriate, as the result of a disciplinary hearing described in Paragraph Two, above. Such removal is only permitted when there is found to be (a) a violation of the National Bylaws or of the rules, regulations, policies or philosophies of AYSO or (b) conduct which disrupts the Region's or AYSO's activities or programs.

5. Hearing Procedures

The disciplinary hearing shall be held at a neutral location. The hearing procedures shall be communicated to and understood by all parties prior to the commencement of such hearing. All interested parties are to be informed of the date, time and location of such hearing.

At the hearing the Committee or Hearing Board shall listen to the facts of the situation from all interested parties, and then adjourn to a private session where the decision will be reached. Under no circumstances shall the Committee or Hearing Board deliberate in the presence of the parties involved in the dispute. The Committee or Hearing Board will then decide the issues raised pursuant to AYSO operating regulations and these Regional Guidelines based on the evidence submitted, and by majority vote determine the appropriate action including whether no action should be taken against the individual accused, or whether such person should be given a warning or caution, or whether such person should be given a written reprimand, or whether such person should be suspended or removed from involvement in Regional activities. All interested parties shall be promptly notified of such decision after, in the case of removal, and where deemed appropriate, such individual is given an opportunity to resign voluntarily.

6. Review

Any determination made in accordance with this Article shall be final and binding on all concerned unless it is determined by the Area Director, or, if he/she is not disinterested, the Section Director, that such determination was arbitrary and capricious, or that the procedure was not fair, or that the person or persons making such determination are found not to have been disinterested. Any interested party dissatisfied with the decision or action taken by the Committee or Hearing Board may request a review of such decision by (in order) the Area Director, Section Director or National Board of Directors,

as may be appropriate pursuant to the operating regulations relating to dispute resolution and due process.
