

Spring Season Coach Application

Interested Coaches Name: _____

Phone Number: _____ Cell Phone: _____

Email Address: _____

Important Information

- 1) Spring teams will be balanced and drafted at a Coaches Meeting. Do not “pre-select” your team prior to this meeting.
 - 2) Coaches will be selected and approved by the Board. All coaches are required to have the appropriate level of Coach Training and Safe Haven training prior to the beginning of the season.
 - 3) Coaches are responsible for getting referees for their home games. The referee administrator is not responsible for finding referees during the Spring Season.
 - 4) Each team must be represented when fields are painted for the season. A date will be given out in advance so that arrangements are made for a representative to help.
 - 5) One check will need to be handed in before uniforms are distributed. Teams will be provided a selective number of options for their uniforms by the Spring Coordinator, but they must provide the sizes, color and numbering requested prior to submission. Order forms can be received from the Spring Coordinator.
 - 6) This application must be signed by the interested coach and turned in by January 15th. Additional instructions for emailing, faxing or mailing will be provided by the Spring Program Coordinator.
 - 7) Please consult the Spring Program or Regional Guidelines for addition questions and answers.
