

## **AYSO Region 177**

### **U08 Guidelines for 2009 Season**

All players will be assigned to a team late summer.

All teams will have uniforms (Jersey, Shorts, & Socks).

Boy's will be playing at Stanford Middle School.

Girl's will be playing at Stearns Park.

The AYSO Region 177 Board voted on and approved the change to no goalies for the U08 Divisions. This decision comes from recommendations from AYSO National to help promote players to shoot more. The player who normally would be goalie will stay on the field so the teams can play 8 v 8. If you would like more information please visit the links that are on the AYSO 177 website.

We are looking forward to a great U08 season.
